

HOPE HARBOR'S MISSION

Our mission is "Lifting those in need to lives of sustainable self-sufficiency." Hope Harbor accomplishes this mission by providing services to needy and displaced homeless, near homeless families, women and children. We help meet their needs for safe shelter, meals, and supportive case management with a goal of obtaining permanent housing and becoming self-sufficient.

COMMUNITY ASSISTANCE

Our Community Assistance program is focused on serving those experiencing financial hardship. The program meets immediate needs for tangible items. This program is open anyone in need in our community.

Assistance includes gas vouchers, food pantry, hygiene items, furniture, and more.

EMERGENCY SHELTER

Our Emergency Shelter Program provides temporary shelter for homeless two-parent families, single parents, married couples, & single women. Participants in this program are seeking a safe, warm place to stay for the night.

There are 26 beds available. Check-in begins at 7pm each night, open 365 days per year. Ideally, clients would transition to the TS program if available.

TRANSITIONAL SHELTER

Our 78 bed Transitional Shelter serves homeless two-parent families, single parents, married couples, & single women. Participants in this program are assigned to a Case Manager, who works with the client on budgeting, connecting them with services, and goal setting.

Clients set goals and attend classes. There is no cost to the client and meals are included.
